CHOOSE Belgium Webinar

Olivier De Bolster

THE OUTLINE

-
- The background of the slide features a stylized world map in shades of blue. Overlaid on the map are numerous glowing white nodes and curved lines that represent global connectivity or data flow. Faint binary code (0s and 1s) is visible in the background, adding a technological feel.
- **The Initiative**
 - **The Instruments**
 - **The Portal**
 - **National Portals**
 - **EURAXESS Service Network**
 - **Worldwide**
 - **Get in touch**

THE INITIATIVE

EURAXESS

EURAXESS is a unique pan-European network with the goal to assist researchers in all questions regarding living and working in a new country and their career planning across sectors.

The EURAXESS initiative serves as an implementation tool, translating European Research Area policies into everyday working practice.

What do we do and why?

- **Core activity:** information and support for **mobility** and **career development** of researchers
- **Policy goal behind:** contributing to open, attractive, sustainable European labour market for researchers

EURAXESS Overview

- Established in May 2004 as ERA-MORE
- EURAXESS was introduced in 2008
- An ERA (European Area) key initiative
 - Facilitating researchers' mobility
 - Supporting career development
 - Ensuring attractive careers across Europe and beyond
- Target audiences:
 - Researchers
 - Researcher institutions
 - Entrepreneurs and industry
- Backed by 42 countries

The Instruments

EURAXESS Instruments

The portal

Main EU Portal and country specific National Portals

EU Portal

EURAXESS jobs, funding & hosting

- Jobs + funding and hosting database
- 80,000+ job vacancies listed annually - vacancies within academia and industry
- 300+ funding offers at EU and national level, travel grants and fellowships
- 800+ hosting posts
- 17,500+ registered organizations

Funder or Recruiter? None

- **EURAXESS is a facilitator and your link with funders and recruiters.**
- Any registered EURAXESS member can apply free of charge to the offers published in the jobs, funding and hosting data base. EURAXESS member organisations can also publish vacancies free of charge.
- **The responsibility for the advertisements published on this website lies entirely with the employer.**
- **The application is handled uniquely by the employer, who is also fully responsible for the recruitment and selection processes.** All hiring and compensation for work performed by the applicant is handled directly between the employee and the employer.
- EURAXESS does not perform any background checks on the EURAXESS members applying for jobs, nor on employers posting job opportunities.

What's it in for you?

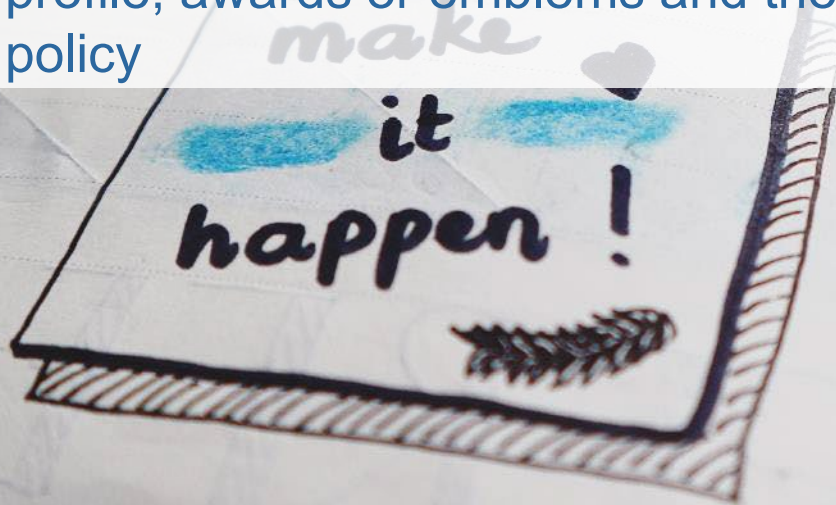

60,000+ registered researchers

Individual members: researchers, talent hunters, representatives of institutional members, entrepreneurs

17,500+ registered organisations

Publications Overview

Upload your CV

Please use [EUROPASS](#) template to create your CV.

- [EUROPASS Template and Instructions](#)
- [EUROPASS Examples](#)

The CV uploaded under this section is by default be visible only to the registered organisations. You would upload a CV under this section, if you wish to make it searchable by the hiring organisations registered at EURAXESS or (if the option is checked) by the other EURAXESS members (researchers, entrepreneurs or anyone interested in research that has registered a generic account with us). Uploading a CV under this section does not imply that you are applying to a job opportunity on EURAXESS as the application process is handled outside the portal, by the hiring organisation; you will find details on where to apply under the "Apply" tab at the opportunity's description page.

☒ Make this CV visible to all registered users (researchers, entrepreneurs etc)

Science4Refugees

Welcome refugee
researchers and students
looking for a suitable job!

- Jobs and opportunities all over Europe
- Free and easy access to the Science4Refugees initiative
- Be part of the European Research Community
- Information on working and living in Europe

Our mission: help you get started in Europe

The Science4Refugees initiative and EURAXESS portal provide research refugee friendly internships, part-time and full-time jobs, access to an European Research Community, as well as a complete range of information and support services on working and living in Europe.

Welcome to EURAXESS Belgium

We provide information and assistance to mobile researchers through both this portal and our national EURAXESS Service Centres. The portal contains practical information about professional and everyday life, as well as information on job and funding opportunities. The service centres help researchers and their family to plan and organize their move to a foreign country, and assist with all matters related to mobility. All services provided by the EURAXESS Network are free of charge.

Belgium: 3 partners together for you

The Belgian portal for mobile researchers is the result of a fruitful collaboration between the Flemish Community, the French-speaking Community and the Belgian Federal Science Policy Office. It benefits from financial support from the European Commission.

The network

EURAXESS Belgium: 3 partners

- **Collaboration** between the Flemish Community, the Belgian Federal Science Policy and the French Community of Belgium (also known as Wallonia-Brussels Federation)
- BHO Flanders – Department of Work, Economy, Science, Innovation & Social Economy (WEWIS)
- BHO Federal level – Belgian Science Policy Office (BELSPO)
- BHO Wallonia-Brussels Federation – Fonds de la Recherche Scientifique (FNRS)

Belgian EURAXESS Service Centres

The Belgian EURAXESS Services Centres provide free and customized assistance to all mobile researchers and their families seeking advice on issues related to their relocation across borders.
