Secondments* can be undertaken worldwide, in any sector; for up to 1/3rd of total duration (for EF) or up to 1/3rd of the outgoing phase (for GF)

Optional additional placement* in the non-academic sector, in an EU MS or HE AC country; for up to six months, taking place at the end of the fellowship (after the standard duration)

** Refer to the WP/GFA/official documents for restrictions and details*

Postdoctoral Fellowships (PF): Some specifics

Resubmissions

Proposals involving the same host organisation (and for Global Postdoctoral Fellowships also the same associated partner hosting the outgoing phase), and the same individual researcher who submitted a proposal to the PF 2023 call and received a score of less than 70% cannot be resubmitted in the PF 2024 call.

United Kingdom

As of January 2024, the United Kingdom is associated to the Horizon Europe programme. United Kingdom organisations will therefore be able to host researchers, [apply and receive funding](#) under this year's call under the same conditions as EU Member States and other countries associated to Horizon Europe.

Non-academic placements

If the placement does not meet the requirements, the proposal will be evaluated without taking into account the non-academic placement.

Non-academic sector = entities that are not part of the academic sector.

Academic sector = e.g. non-profit research organisations, higher education entities, international organisations (incl. of European interest).

This is always pending validation/verification.

Proposal Submission

The screenshot shows the top of the European Commission's 'Funding & tender opportunities' website. The header includes the European Commission logo and the text 'Single Electronic Data Interchange Area (SEDIA)'. A blue navigation bar contains links: 'SEARCH FUNDING & TENDERS', 'HOW TO PARTICIPATE', 'PROJECTS & RESULTS', 'WORK AS AN EXPERT', and 'SUPPORT'. Below this, an orange warning box states: 'Proposal Submission System will be unavailable on Monday 22th from 17:30 to 20:00 (CET), while system maintenance is being performed. We apologize for any inconvenience this may cause.' The main section is titled 'Find calls for proposals and tenders' and features a search bar with the text 'Marie Skłodowska-Curie Actions' and a yellow 'Search' button.
